PROFESSIONAL SUMMARY

BCA graduate with IEEE and Springer publications, a Best Paper Award, and hands-on web development experience delivering production-ready client projects. Skilled in Python, PHP, machine learning, and data analytics, with practical exposure to AI/ML model development, data preprocessing, and model evaluation using frameworks including TensorFlow, PyTorch, and Scikit-learn. Experienced in technical documentation and academic writing across 15+ conference presentations. Deloitte Data Analytics and IBM AI Fundamentals certified. Proven leader as Student President and IIC Ambassador, with a track record of translating research depth into real-world solutions. Seeking an AI/ML Software Engineer or Full Stack Developer role to apply machine learning expertise and software development skills to industry challenges.

EDUCATION

Jeppiaar College of Arts and Science | Bachelor of Computer Applications (BCA) | 2023 – 2026

CGPA: 7.7 / 10 (Till 5th Semester) Chennai, Tamil Nadu

Chettinad Vidyashram | Commerce with Computer Science | 2022 – 2023

TECHNICAL SKILLS

Languages: Python, PHP

AI & ML Frameworks: TensorFlow, PyTorch, Scikit-learn

AI & Data: Machine Learning, Deep Learning, NLP, Data Analysis, Data Preprocessing, Model Evaluation, Generative AI (Fundamentals)

Web: HTML, CSS, Bootstrap, CodeIgniter 3

Databases: MongoDB, MySQL, SQL

Tools: Git, GitHub, Google Colab, Tableau, MS Office, Overleaf

Methodologies: Agile, Object-Oriented Programming

Documentation: Academic Writing, Technical Documentation, API Documentation

PROFESSIONAL EXPERIENCE

DigiSailor — Full Stack Web Developer Intern | Jun – Jul 2025 | Chennai

- Built and deployed 2 responsive production websites for clients (Sweet Ministries, Beast Photography) within a 6-week timeline using HTML, CSS, Bootstrap, PHP, and CodeIgniter 3.
- Integrated backend with frontend across production environments: routing, form submissions, and database connections, reducing manual data handling for clients.
- Collaborated with cross-functional team members to deliver client requirements on schedule, applying Agile practices and maintaining technical documentation throughout.
